

# Claude Iranzi

## Full-Stack Developer

Male | Poland, Sosnowice

Citizenship: Rwanda

Full-Stack Developer skilled in MERN and Spring Boot. I build production-ready systems with clean architecture, scalable APIs, and secure backend logic. My stack includes Next.js, React, Node.js, Express, MongoDB, Mongoose, MySQL, Spring Boot, JPA/Hibernate, Tailwind, Bootstrap, REST, and Socket.IO. I deliver fast, responsive, SEO-optimized applications with dashboards, authentication, real-time features, and cloud deployment.
